## Valley Rural Electric Scholarship for High School Juniors

Valley REC’s board of directors wants to recognize the most scholarly and community minded young leaders, by inviting high school juniors to apply for our new, additional scholarship. This offering is separate from our scholarship program for high school seniors and adult students (the Brighter Future program). Awards from this program for juniors go directly to students and can be used toward future education-related expenses.

The board’s committee will select recipients based on academic achievement, as well as participation in extracurricular activities and/or community service. Successful applicants will receive their grant in mid-June. This opportunity is open to students in the 18 public school districts which lie wholly or in part in Valley Rural Electric’s service territory:

- |                                       |                              |   |
|---------------------------------------|------------------------------|---|
| Altoona Area High School              | Huntingdon Area High School  | Northern Bedford County High School       |
| Central High School                   | Juniata High School          | Southern Fulton Junior/Senior High School |
| Claysburg-Kimmel High School          | Juniata Valley High School   | Southern Huntingdon County High School    |
| Fannett-Metal High School             | McConnellsburg High School   | Tussey Mountain High School               |
| Forbes Road Junior/Senior High School | Mifflin County High School   | Tyrone Area High School                   |
| Holidaysburg Area Senior High School  | Mount Union Area High School | Williamsburg High School                  |

**Students may apply whether or not their household is served by Valley Rural Electric. Home-schooled students and students of private/cyber schools within our service territory are also welcome to apply.**

**Juniors whose parents/guardians are seasonal VREC account holders are also eligible to apply. Completed applications must be received by April 7, 2024.**
