SALES TAX VERIFICATION

Valley Rural Electric Cooperative, Inc., in accordance with the Pennsylvania Department of Revenue's Sales and Use Tax Regulation 209, must determine the taxability of each service location. The determination is based upon how electricity is used at this meter location.

EXEMPT – NO CERTIFICATE REQUIRED:

- Full-Time Residence
- Tenant of a residential rental property (electric account is in tenant's name)
- Seasonal home, hunting camp, cabin, camper - used only by the owner (*Please circle one*)
- Other (ex: personal garage, personal water pump, personal shed, etc.) _____
(Please write on the line what the service is used for, must be uninhabited)

NON-EXEMPT – (sales tax applies) – **UNLESS A PA EXEMPTION CERTIFICATE IS PROVIDED**

- Agriculture production facility/Farms
- Charitable organization
- House/Property purchased for resale
- House under construction by builder for resale
- Incorporated organization (private club, hunting camp, gun club, etc.)
- Manufacturing facility
- Publicly owned facility
- Rental business or commercial operation (store, repair shop, office)
- Rental Property (Electricity paid by owner when vacant or rented)
- Residence also used for business (_____% used for business)

Please sign and date below, then return this form along with a PA Exemption Certificate (if applicable) in the enclosed envelope.
