Scholarship Program

Valley Rural Electric Cooperative will award up to 35 \$1,000 scholarships this year to eligible students who qualify. The money to fund this scholarship program comes from unclaimed capital credits refunds that previously had to be turned over to the state. Thanks to the efforts of our political advocates, we can now keep those funds in our local communities.

Eligibility Requirements

The applicant must be:

- a dependent of an active Valley REC member who is the parent or guardian of the applicant,
- a high school senior (public, private, charter, cyber, or home-school) planning to enroll full-time at an accredited post-secondary institution or trade/technical school for the 2025-2026 academic year.

Previous Brighter Future scholarship recipients are not eligible.
